

Clean Energy Resource Earth Week

Utility Resources

Earth Week Plus April 14, 2016

- 1) **Presque Isle Electric and Gas** (800) 423-6634 <https://www.pieg.com/>
 - a) Spartan Community Solar Program <https://www.spartansolar.com/about-community-solar/>
 - b) For \$600 you purchase the electricity generated by a solar panel for 15 years. It's estimated that participants can expect an average bill credit of \$40 per year.
 - c) Energy Optimization Program For Presque Isle E&G
 - d) <https://www.michigan-energy.org/aboutresidential/PresqueIsleWeatherization>
 - **Appliance Recycling:** \$50 cash incentive; **Income Qualified Services;** **Efficient HVAC:** cash incentives; **Manufactured Homes:** helps qualified residents improve the comfort and energy performance of manufactured homes; **ENERGY STAR® Products:** In-store and mail-in cash incentives; **Online Home Audit:** Free energy-saving products for completing audit.
- 2) **Consumers Power** <https://www.consumersenergy.com/>
 - a) Rebates: Save energy and earn rebates with these solutions for your home.
 - b) Upgrade your home with an assessment, recommendations and a custom plan.
- 3) **Federal Residential Renewable Energy Tax Credit 2018 through 12/31/2021**
<https://www.energy.gov/savings/residential-renewable-energy-tax-credit>
 - a) **Savings Categories:** Solar Water Heat, Solar Photovoltaics, Geothermal Heat Pumps, Wind (Small), Fuel Cells using Renewable Fuels
 - i) **Rebates:** 30% on qualifying Solar-electric systems and Solar water heaters; Geothermal. no maximum. <http://www.energystar.gov/taxcredits>
- 4) **Michigan's net metering program:** (800) 292-9555
 - a) enables Michigan's utility, cooperative and AES customers to develop on-site renewable energy electric generation projects (including wind, solar or photovoltaic panel) and reduce their electric bills.
 - b) Demand response programs allow users to save money by using more energy at nonpeak periods when electricity costs are lower. Contact your utility or www.michigan.gov/energylegislation.
 - c) <http://www.michigan.gov/netmetering>
- 5) **For Further Reading**
 - a) <https://www.altestore.com/learn/>
- 6) **Michigan Clean Energy Conference** June 21-23 in Traverse City
 - a) <https://www.eventsquid.com/event.cfm?sendToSSL=true&id=3121>
- 7) **Sierra Club Solar Partnership**
 - a) <https://www.sierraclub.org/michigan/sierra-club-solar-partnership>
- 8) The Michigan Chapter is partnering with Michigan Solar Solutions, Solar Winds and McNaughton-McKay Electric Company to help Michigan Sierra Club members and supporters make their homes solar-powered

9) **Clean Energy Contractors**
For more info on contractors, design, and equipment
